

## JEFFCO EATS – NON-PROFIT

EIN 46-5313137

Our mission as a nonprofit since 2017, is to strategically function as a year-round weekend food program provider in partnership with Food Bank of Rockies and the Jefferson County Department of Education Title One department. Our mission is to help kids and families eat by providing food over the weekends to ensure that no child goes hungry in Jeffco Title One Schools and GAP schools. We will never stop working towards this goal.

In 2020 we have distributed over 32,308 bags packed with 8-10 nonperishable items and 5,226 boxes, which contain snacks, pantry supplies, cases of food, bulk beans and rice, water and/or produce!

### NOTE: Temperatures will be taken.

*Also, we are currently only certifying community/school hours, we have NOT been approved to certify court ordered hours. Please bring your own mask. Wear casual/comfy work clothes, closed-toed shoes are highly recommended.*
